CHAPTER 69, 31 UNITED STATES CODE  
PAYMENTS IN LIEU OF TAXES ACT  
31 U.S.C. 6901-6907

This paper briefly discusses the Payments in Lieu of Taxes Act of 1976, as amended. It describes eligibility for "in-lieu" payments, gives examples of how the payments are computed, and summarizes "entitlement" acres.

The Act authorizes the Secretary of the Interior to make two types of annual payments to eligible units of local government. The Secretary has delegated the responsibility for administering the Act to the Bureau of Land Management.

In October of 1976, Congress passed Public Law 94-565, commonly referred to as the "Payments in Lieu of Taxes Act". This Act provides for payments to local units of government containing certain federally-owned lands. These payments are designed to supplement other Federal land receipt sharing payments local governments may be receiving. Payments received under the Act may be used by the recipients for any governmental purpose. The Act was repealed in September, 1982 and recodified at Chapter 69, 31 U.S.C.

On July 30, 1983, the PILT Act (31 U.S.C.) was amended by P.L. 98-63 which refined the definition of "unit of general local government" and added a new section (31 U.S.C 6907) that authorized State governments to enact legislation to reallocate PILT payments in whole or in part to other smaller units of general purpose government. The amendment further provides that where States Enact such legislation, the PILT funds would be paid to State governments for redistribution to the appropriate unit of general local government. The State of Wisconsin is presently the only State to enact legislation (Wisconsin Act 470) under section 6907.

I. Section 6902 "Entitlement Land" Payments

Section 6902 authorizes payments to local units of government (generally counties, or the equivalent) under one of two alternatives, based on the number of acres of "entitlement lands" within the county. "Entitlement lands" consist of lands in the National Forest System and the National Park System, lands administered by the Bureau of Land Management, and lands dedicated to the use of Federal water resource development projects. Also included are dredge disposal areas under the jurisdiction of the Army Corps of Engineers, National Wildlife Reserve Areas withdrawn from the public domain, inactive and semi-active Army installations used for non-industrial purposes, and certain lands donated to the United States Government by State and local governments. The Act specifically prohibits payments for tax exempt lands (but not donated lands) acquired from State or local governments.

# Entitlement Land Payment Formula

The amount be paid to each unit of general local government is the higher of:

A. Seventy-five cents for each acre of "entitlement land" within the boundaries of the unit of government, reduced by the amount of certain Federal land payments (See Table 1) that were received by the unit of government in the preceding fiscal year. 1/

-OR-

B. Ten cents for each acre of "entitlement land" within the unit of government. Here, no deductions are made for the Federal land payments received by the unit of government in the preceding fiscal year.

Entitlement land payments to each unit of general local government are subject to population payment limitations or ceilings. Payment ceilings are based on a sliding scale, starting at \$50 per capita (for population under 5,000) and rising to a maximum of \$1,000,000 (Table 2). Under Alternative A, if the total calculated payment (75 cents x entitlement acres) exceeds the ceiling, deductions for other Federal land payments received are made from the ceiling, not from the 75 cents per acre figure.

The following examples show how the section 1 payment is computed.

Example 1 - Payment Alternative A Greater than B:

Population limitation (19,000 x \$28)	<u>\$532,000</u>
A. 88,442 acres x 75 cents per acre	66,332
Deduction for prior year payments	<u>-36,435</u>
Payment to county - Alternative A	<u>\$29,897</u>
B. 88,442 acres x 10 cents per acre	<u>\$8,844</u>
No deduction under this alternative	<u>- 0</u>
Payment to county - Alternative B	<u>\$8,844</u>

In this case, \$29,897 would be the payment to the county. If the population limitation had been \$50,000, the payment calculated under Alternative A would be \$13,565 (\$50,000 - \$36,435).

\*\*\*\*\*

1/ Only the amount of Federal land payments actually received by units of government in the prior fiscal year are deducted. If a unit of government receives a Federal land payment, but is required by State law to pass all or part of this payment to financially and politically independent school districts, or other single or special purpose district, such redistributed payments are considered to have not been received by the unit of local government and are not deducted from the section 1 in-lieu payment. The amounts to be deducted are reported to the Bureau of Land Management each year by the Governor of each State or his delegate.

Example 2 - Payment Alternative B greater than A:

Population limitation (12,000 x \$33)	<u>\$396,000</u>
A. 81, 391 acres x 75 cents per acre	61,043
Deduction for prior year payments	<u>-62,792</u>
Payment to county - Alternative A	<u>\$ 0</u>
B. 81,391 acres x 10 cents per acre	\$8,139
No deduction under this alternative	<u>- 0</u>
Payment to county - Alternative B	<u>\$8,139</u>

In this case, \$8,139 would be the payment to the county.

Example 3 - ceiling in effect - payment limited to population ceiling:

Population limitation (3,000 x \$50)	<u>\$150,000</u>
A. 1,700,000 acra x 75 cents per acre	<u>\$1,275,000</u>
Population ceiling limit	150,000
Deduction for prior year payments	<u>-750,000</u>
Payment to county - Alternative A	<u>\$ 0</u>
B. 1,700,000 acres x 10 cents per acre	<u>\$170,000</u>
No deduction under this alternative	<u>0</u>
Payment to county - Alternative B	<u>\$170,000</u>
Payment to county - allowed by ceiling	<u>\$150,000</u>

In the case of this county with high Federal land ownership and a small population, the ceiling is applied to both alternatives with that ceiling amount being paid to the county under Alternative B.

II. Section 6904 Payments

Section 6904 of the Act authorizes payments for any lands or interest therein which were acquired after December 31, 1970, as additions to the National Park System or National Forest Wilderness Areas. These lands must have been subject to local real property taxes within the five year period preceding the acquisition by the Federal government. Payments under this section are made in addition to payments under section 1. They are based on 1% of the fair

market value of the lands at the time of acquisition, but may not exceed the amount of real property taxes assessed and levied on the property during the last full fiscal year before the fiscal year in which acquired. Section 6904 payments for each acquisition are to be made annually for five years following each acquisition.

Federal payments of \$100 or more made under section 6904 must be distributed by the recipient unit of local government to those units of local government and affected school districts which have incurred losses of real property taxes due to the acquisition of these lands or interests therein. Distribution shall be in proportion to the tax revenues assessed and levied by the affected units of local governments and school districts in the year prior to the acquisition of these lands by the Federal government.

### III. Section 6905 Payments

Section 6905 of the Act authorizes payments for any lands or interest in land owned by the Government in the Redwood National Park or acquired in the Lake Tahoe Basin under the Act December 23, 1980 (P.L. 96-586, 94 Stat. 3383). Section 6905 payments will continue beyond the five year limitation. These payments will continue until the total amount paid equals 5% of the fair market value of the lands at the time of acquisition. However, the payment for each year cannot exceed the actual property taxes assessed and levied on the property during the last full fiscal year before the fiscal year in which the property was acquired by the Federal government.

- Column 3 - Total section 6902 and 6904/6905 payments
- Column 4 - The amounts in column 3 that are \$100 or greater. The Act specifies that no payment will be made if the total payment is less than \$100.
- Column 5 - The amounts (if any) that have been deducted from the fiscal year 1989 payment to recover overpayments that may have been made in prior fiscal years.
- Column 6 - Total amount paid for the fiscal year 1989 PILT payment.

The last two columns are provided for informational purposes and show any additional payments units of local government may have received during fiscal year 1988 as adjustments to previous PILT payments.

- Column 7 - Adjustment payments that may have been issued during fiscal year 1989 to correct underpayments in prior fiscal years.
- Column 8 - Total amount paid to units of local governments during the current fiscal year.
